Safety, Health and Environmental Policy

INTRODUCTION

Zeal Engineering Consultants provides services in Electrical Consulting, Engineering, Information Technology and Project Management designs, and supplies these to its clients. We strive excellence in all we do, recognises the impact that our activities may have on people and environment.

VISION

Zeal Engineering Consultants is dedicated to assuring that the clients achieve their goals by providing high quality SHEQ consultancy and operational services in selected regional, national and international markets, based on continual improvement, integrity and Christian value.

MISSION

Zeal Engineering Consultants strive to deliver honest and reliable services based on ethical principles. Will provide and maintain as far as possible a safe working environment, and to ensure that our personnel and facilities comply with all the relevant Legislation and regulations and in accordance with the requirements of OHS Act (85 of 1993). To ensure the implementation and maintenance of formal management systems (ISO 18001; ISO 9001; ISO 14001)

HEALTH AND SAFETY POLICY STATEMENT

The management of Zeal Engineering Consultants is firmly committed to enabling all work activities to be carried out safely, and with all possible measures taken to remove or at least reduce risks to the health, safety and welfare of workers, contractors, clients, authorized visitors and anyone else that may be affected by our operations. Zeal Engineering Consultants is committed to continually improve on its processes and services to enhance not only the safety and health of its employees, but also everybody to whom we consult and advise.

Zeal's policy, in pursuance of the Company's objectives, is to continually improve its management system and commitment to provide an environment that prevents accidents, incidents, injury and ill health to our employees. Our policy and associated health, safety and environmental objectives are reviewed on a regular basis and communicated to all employees and interested parties.
